Nixie Tube Data Archive

This file is a part of Dieter's Nixie- and display tubes data archive

If you have more datasheets, articles, books, pictures or other information about Nixie tubes or other display devices please let me know.
Thank you!

Document in this file	Ad, taken out of old copies of the UK electronics trade publication 'Electronic Engineering' dated August 1953, covering the G10/241E Nomotron tube
Display devices in this document	G10/241E

Advanced design for fast triggering

From amongst the wide range of Standard thermionic tubes for industrial applications, these three are undoubtedly leaders in their class; designed and built to do the job better... quicker... and to offer a level of reliability that is traditionally *Standard*
